

Registered Charity No: 1186875 serving the community since 1961

Mission Statement

Taff's Well Village Hall Management Committee Mission is to make Taff's Well Village Hall the venue of choice for Organisations and Individuals. Our trustees have a 'cradle to the grave' policy' of offering something for everyone. The village hall is for all of us and should involve all of us.

Mission Statement

Our mission is to foster strong community cohesion within the Taff's Well area, whilst providing a comfortable community facility which helps promote the education, health and well-being of the inhabitants, through social and economic regeneration.

Our Vision

We strive to provide good facilities enabling the community to be brought together to access a variety of activities and services which help meet their educational, recreational and social needs. Our committee endeavours to increase community cohesion, while reducing isolation and loneliness even further by targeting the growing population of senior citizens.

Our Aims and Objectives

TWVH aims to provide a first class, safe, accessible, well maintained and well-presented village hall, to be used for facilities which will be to the benefit of, and meet the needs and desires of Taff's Well residents and hall's users. To identify opportunities for activities to meet the needs of the local community and develop relationships to encourage the hire of the Hall for these purposes. Support the hirers of the Hall through advertising activities and by encouraging other members of the community to attend and become involved

TWVH will endeavour to meet the hall's annual running costs from the income from activities, to ensure its long term sustainability. This will include private or commercial events, providing this is in keeping with the interests of our own community. TWVH will comply with changing legislation and ensure that the Hall evolves to meet the needs of the local community. The Committee will seek funds from donations, fund raising and grants to cover the cost of major capital projects to ensure the village asset is maintained and well presented.

The building is owned by the Trustees, the ground on which it stands is let to them by Rhondda Cynon Taf Council for an annual rent of one peppercorn!
